# SUP?

Your INTERNET **S**AFE **U**SE **P**OLICY!

(Acceptable Use Policy)

## Top Ten Safe and Responsible Guidelines

**1.** Keep your email and family access passwords private. Do not set any program to log in automatically without having to enter your username or password.

**2.** Use the network for school, not for a distraction.

**3.** Please never use the network to say hurtful or hateful things, or to post private or potentially embarrassing materials. And please do not use the network to access these types of materials.

**4.** Never use the network to connect socially with people outside of the safe environment of Oroville School district.

**5.** Don't use the network to advertise or persuade your friends to do illegal things.

**6.** Make sure you have the legal right to use any material you get from the internet, or place on the internet.

**7.** Avoid HOGGING the network by entertaining yourself with streaming music or videos.

**8.** Please don't vandalize or harm any equipment, programs or documents found on any school computer or network.

**9.** Don't read email or files that belong to someone else unless invited, and never pretend to be someone else online.

**10.** Please report any security problem, vandalism or misuse of the computers or network to your teacher or principal so that we can keep you safe and online!
